*Tini whetū ki te rangi ko Rangitane ki te whenua*

Date Issued: 14/02/2022

Kia Ora koutou katoa,

The kaimahi from Te Kete Hauora wish to acknowledge the challenging and unprecedented times we are living in at the moment.

We want you to know that we will work hard to support you while working to the COVID-19 Protection Framework.

Currently we are working to stamp out COVID-19 in our community by running Vaccination and booster clinics and supporting whānau to get tested when symptomatic.

Should you test positive with COVID-19 you will be required to self isolate. We will be available to support you during this time and we will work with you to ensure you have what you need while you are self isolating. Ways we can support will be either providing support over the phone, contactless home delivery of essential items and help with ensuring you have access to the services you need.

A list of numbers are listed below—these services will still be available if required while isolating and should be called in the event of an emergency.
