Tena koutou e te whanau,

We wish to again initiate our Hui-a-Iwi program. COVID and lots of things have definitely interrupted things. You have asked to be able to share your korero rather than listen to the board. We accept that. So, this will be the first of a series of regular hui together.

We have canvased some whanau to ask what they would like to get out of this hui. They wanted a hui to

- be opened up to the whanau,
- be able to speak openly and frankly about their concerns and aspirations,
- know better the future direction for Rangitāne, and
- whanaungatanga.

We give an opportunity to send your korero to l-stevo@xtra.co.nz or text Lorraine on 0274-320923. Lorraine will collect and collate and ensure the hui flows and time is maximised. Your korero will be treated with the utmost respect.

There are organisational updates and wider Iwi business to be discussed which we will manage either here (**time permitting**) or by a regular panui. The following headings will give you an idea of what whanau have already requested to have on the agenda for this hui. Over page we note some areas the board wish to report on.

1. *Do we have a Communication Strategy so that we can all be aware of what is going on?*
2. *We have been Settled for 5 years now. Where is all our evidence and when can we get copies for our whanau? How do we share our stories, our whakapapa, to strengthen our Rangitānetanga.*
3. *What is our Cultural Revitalisation Strategy, how might we participate?*
4. *What is our strategy for the up and coming Local and Regional Elections ?*
5. *Can we have an update on the status of Kahui Mataarae.*

Some interesting korero to be shared. We welcome more, so send in your korero or present on the day.

Let's not look backwards only forwards, because that is where we need to expend all our energy to continue to be better than we are today..
